I guess it's completely one-sided...
Even if our club is second rate, against a beginner..
Yeah Exactly!
The outcome is pretty clear ..

I'M SAYIN' SUSA IS GOIN' TO WIN!
That's not what I meant.
Eh!?
But his tactics in this fight...
And supposedly he's never boxed before...
HAVE GONE UP SEVERAL LEVELS!
But Captain, just how...?
But
It's true Susa is a beginner...
That's right Watch carefully..

Look how hard Yasumura's breathing after just one round
But what about Susa? Even if he is just a beginner, take a look..
At some point he stopped with the jabs and started going for a KO with an uppercut-hook combo
After Yasumura snagged a couple of knock-downs early he got greedy and started swinging big.
That's why he's breathing so hard.

But at some point he started imitating Yasumura's footwork. And gradually Yasumura's punches stopped connecting.
Meanwhile Susa has been carefully watching Yasumura.
At first, he sure didn't look much of a boxer.
Anyway, the next round
SHOULD BE ENTERTAINING!

B- but
It's the truth
There's no telling what'll happen to me.

The order was just
to bang a tenth grader named Yukishiro.
And if possible, do it so that a kid named Susa knew about it..
There was no way I could do something like that by myself. I was thinking I better find my gang when Aonuma showed up...
By the way, Yasu... Boss wants you find him a girl...
That's when I decided to use Aonuma's group...
WHO WAS IT!?
WHO GAVE YOU THE ORDER!?
